

LSH-70

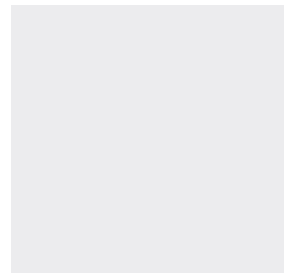

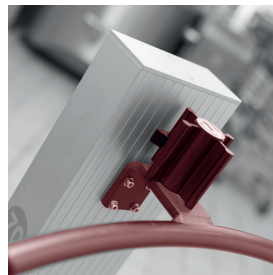

LIFTERS FOR OFFICES, PRODUCTION AND RETAIL

EFFICIENT, ELEGANT AND EASY TO HANDLE

The battery-powered LSH-70 lifter will enhance efficiency in your work processes and ensure health and safety. Impact 70 lifters move, lift and handle up to 70 kilos simple and efficient.

LSH-70 is easy to use with the fingertip control switchgear, the Commander – which make it possible to operate the from many positions. The lifter is equipped with overload protection and safety clutch. All moving parts are shielded and all lifters come with intelligent charging equipment.

To meet individual requirements, the LSH-70 gives the opportunity to combine 4 different leg types with 3 mast heights and more than 15 different tools.

LSH-70
